Mike Bongiorno, Club President reported the following:

- Pledge of Allegiance
- Motion to approve November Board Minutes, Jason 1st and Rob 2nd all approved.
- We discussed tryouts and process improvements. We will have tables set up and one specific table will be for unregistered participants. A large part of the bottleneck was unregistered players, moving these players to the side to complete registration will allow for a quicker and smoother check-in process. Also we will be using preprinted numbers, players will attach the numbers to uniforms. There will be no parents allowed on the fields, during the tryouts last year parents were standing on the sidelines distracting players and coaches.
- Indoor training started tonight, it is a small gym. We need to be aware and limit what we do depending upon the number of players.
- Due to the closure of Canale, we will look into renting the HS field.
- Birth year changes, heavily considering following a hard cut-off of 7V7 and 9V9 players

Don Burbach, Club Secretary, reported the following:

- Read changes to upcoming by-laws, this is the third reading and will now go into effect. No objections.

Marci Cooke, Club Registrar, reported the following:
