Meeting began at 7:34. Curt and Marcie not in attendance.

Mike Bongiorno, Club President reported the following:

- Pledge of Allegiance
- Motion to approve February Board Minutes, Sean First, Christie Second all approved.
- Mike reviewed the decision to sign with Cedar Stars, there is currently one travel team older than 8th grade. Every year once players hit the High School Years the teams fold. Many but not all of the players continue to play but move on to other teams. Cedar Stars is not taking over the club, it is a partnership to help further develop the younger teams, while potentially giving older teams the ability to continue playing.
- Questions were asked regarding the benefits. Benefits include improved coaches and player education, ability to attract out of town players with the intention of filling out teams that are light on players. For example 2012 and 2013 girls are playing combined due to a limited number of players. This is not ideal.
- A concern was raised over field availability and capacity of players. With the construction of Canale we will now have 18-19 fields, we do not see this as an issue.
- Announced travel costs for 2025-2026, in town players will be \$350.00, out of town players \$450.00. Current out of town players will pay \$350.00.
- Recreation player cost is still not determined.
- The shed will be painted with the EHT Logo, also we will retire the number 16 in the name of Ashley Reich, Ashley passed away due to cancer. Ceremony will be May 3rd, 2025.

Sean Garvey, Girls Travel Coordinator, reported the following:
